## NOTICE TO ALL RESIDENTS

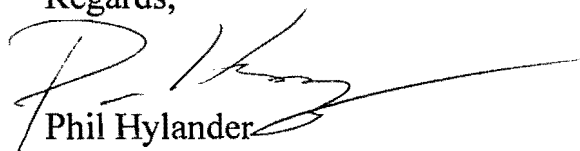

April 22, 2008

This notice is to advise you that the concrete areas of the complex (sidewalks, pool area..) will be pressured cleaned on Monday, April 28. The pressure cleaning will start first thing in the morning weather permitting.

Please be sure your vehicles are at least 6 feet away from the curbs. Also remove any door mats that you may have. Anything that is left in an area, including your car, that is cleaned, could end up dirty and the Association will not be responsible for that.

Thank you for your anticipated cooperation.

Regards,

Phil Hylander  
Colonial Property Mgmt.  
For the Board of Directors
