To all Owners:

One of your current board members – Andrew Ferrara - has purchased a new house and will be leaving Cobble East this month. Andrew has been a tremendous asset to the board and community, especially in planning the recently completed pool remodel project. He will be missed.

This will leave an open position on the Board of Directors. According to Florida Statutes, the remaining board members have the ability to appoint a “replacement” director for the remaining term.

If you have an interest in serving on the board, please notify this office in writing no later than July 23<sup>rd</sup>, 2010, either by US mail, fax or e mail (cpmgmt222@aol.com).

One other item for your consideration...

There seems to be some confusion about bulk pickup procedures. People have been placing trash in the wrong location, on the wrong dates and several days before the actual pickup date.

Please take note of the following.....

1. Bulk pickup is the first Monday of the month – even if it is a holiday.
2. There is only one location – on the north side of the driveway close to the street.
3. Do NOT place trash out days ahead – no trash should be left out until the day before the pickup (Sunday).

Thank you for your time and cooperation.

For the Board,

Phil Hylander
